

When a man loves a woman.

Percy Sledge

**When a man loves a woman
Can't keep his mind on nothing else
He'll trade the world
For the good thing he's found**

**If she is bad, he can't see it
She can do no wrong
Turn his back on his best friend
If he put her down**

**When a man loves a woman
Spend his very last dime
Trying to hold on to what he needs
He'd give up all his comfort
Sleep out in the rain
If she said that's the way it ought to be**

**Well, this man loves a woman
I gave you everything I had
Trying to hold on to your high-class love
Baby, ooh, please, don't treat me bad**

**When a man loves a woman
Down deep in his soul
She can bring him such misery
If she plays him for a fool, yeah
He's the last one to know
Loving eyes can't ever see**

**When a man loves woman
He can do her no wrong
He can never want some other girl
Yes, when a man loves a woman
I know exactly how he feels
Baby, baby, baby, you're my world
When a man loves a woman
I know exactly how he feels**
