

**Only you.** The Platters

**Only you**

**Can make all this world seem right**

**Only you**

**Can make the darkness bright**

**Only you and you alone**

**Can thrill me like you do**

**And fill my heart with love for only you**

**O-only you**

**Can make all this change in me**

**For it's true**

**You are my destiny**

**When you hold my hand, I understand**

**The magic that you do**

**You're my dream come true**

**My one and only you**

**O-o-only you**

**Can make all this change in me**

**For it's true**

**You are my destiny**

**When you hold my hand,**

**I understand**

**The magic that you do**

**You're my dream come true**

**My one and only you**

**(One and only you)**
