

Every Breath You Take. Sting (Police)

**Every breath you take
Every move you make
Every bond you break, every step you take
I'll be watching you**

**Every single day
And every word you say
Every game you play, every night you stay
I'll be watching you**

**Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take**

**And every move you make
And every vow you break
Every smile you fake, every claim you stake
I'll be watching you**

**Since you've gone I've been lost without a trace
I dream at night, I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying baby, baby please**

**Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take**

**And every move you make
And every vow you break
Every smile you fake, every claim you stake
I'll be watching you**

**Every move you make, every step you take
I'll be watching you
I'll be watching you**

**Every breath you take, every move you make
Every bond you break, every step you take
Every single day, every word you say
Every game you play, every night you stay**

**Every breath you take, every move you make
Every bond you break, every step you take
Every single day, every word you say
Every game you play, every night you stay**
